

Wash your tattoo thoroughly with a mild soap and warm water after 1-2 hours of bandage being applied. Squeeze a small amount of Ocean Care on your fingertips. Gently apply a thin layer of Ocean Care on your tattoo until it is completely absorbed 3-5 times a day.

- Do not re-bandage your tattoo.
- Always wash your hands before touching your tattoo. Do not use a washcloth or anything abrasive on the tattoo.
- Do not pick or scratch your tattoo.
- Avoid hot tubs, pools and the ocean during the healing process.
- Do not over soak your tattoo with water while in the shower.
- Avoid direct sunlight and tanning beds. Avoid tanning oils, scented lotions and sand.
- Avoid tight fitting clothes which might irritate a new tattoo.
- While using H2Ocean, do not use any other aftercare products during the healing process, unless you are directed to by your artist.
